

Happy Holidays

Dear, Current & Prospective Members

On behalf of the Blackduck Development Corporation I would like to extend an invitation to join or renew your membership to our organization. The BDC has played an active role in the success of Blackduck for years, and we want YOU to be part of it!

The MISSION of our organization is to promote the overall economic conditions in the community of Blackduck and its surrounding area. Most recently we've actively had a hand in multiple projects; including the transfer of Main Street property to the City for future development, the expansion of the Sanford Clinic and Pharmacy, housing development in the Blackduck area, and financial assistance for the Blackduck Golf Course.

On the docket for 2023 is a cooperative effort with HRDC to build TWO single family homes in Blackduck. We've also entered into an aggressive marketing campaign of the Blackduck Area with Pinnacle Marketing Group and Paul Bunyan Cooperative. We understand that more business and industry in our area means more opportunity for growth in the community. We would love for you to help with these worthwhile projects.

Your slate of officers for 2023 include: Daryl Lundberg, President; Jason Brodina, VP; Treasurer, Grant Frenzel; Secretary, Christina Regas; Directors, Misty Frenzel, Kevin Erpelding, and Rachael Merrill. Officers will be elected at the first meeting of 2023 on January 11th. Members are encouraged to attend to discuss the strategic planning of our organization (*meeting date to be set at the January meeting*)

Monthly meetings are held the second Wednesday of the month at 11:00am in Council Chambers at Blackduck City Hall. Attendance is greatly appreciated - this is where ideas have a chance to grow and become reality.

2022 Blackduck Development President
